To Whom It May Concern:

It is with great pleasure that I offer this letter of recommendation for Kieran Cunningham and Irishhand Painting & Decorating.

Kieran has been a sub-trade for our company over the past 4 years. In that time he has proven himself to be both honest and reliable, and has treated our customers in an exemplary manner.

In the customer service industry today, "above and beyond" is expected, and Kieran has been able to not only reach, but exceed that level of quality workmanship and customer service while representing our company.

It is without hesitation that I would highly recommend Kieran and Irishhand Painting & Decorating for any project which he decided to undertake.

If any further information is required, please do not hesitate to call.

Regards,

Mike Wilson
