**Reference: Irishand Painting**

Dear Sir or Madam,

Irishand Painting performed painting services to Ladies' Golf Club of Toronto this winter. Lead by Mr. Kieren Cunningham, they completed the interior painting of our Club's Pro Shop and Clubhouse's business area and casual dining room.

I was very impressed with their professionalism and high quality work. Kieren was instrumental in assisting us to choose the colours that best suit our project. His cooperation throughout the project was commendable. It was evident that they took great pride in their work. They completed the work as promised in their proposal and also performed repairs to areas that were not on the contract to ensure the job was done perfectly. This high level of customer service is impressive. Their work was completed in the time promised and without disruption to our business.

I strongly recommend the painting services of Irishand Painting. Please feel free to contact me at 905.889.3531 ext. 306 or at [gm@ladiesgolfclub.com](mailto:gm@ladiesgolfclub.com), if you wish to discuss this matter further.

Sincerely,

Walter Cheung, CFBE  
General Manager
